About Me

I am Aminul Haque, a dedicated and skilled WordPress web designer with over four years of freelancing experience on Fiverr. Since 2020, I have successfully completed nearly 600 projects, showcasing my ability to create visually compelling and user-friendly websites. My expertise lies in crafting responsive designs that meet client needs while adhering to the latest industry standards and trends. I pride myself on delivering high-quality work, maintaining clear communication, and ensuring client satisfaction. I am eager to bring my creativity and technical proficiency to a collaborative team environment.

Skill

- **WordPress Development:** Expertise in creating and customizing WordPress themes and plugins.
- **HTML/CSS:** Proficient in HTML5 and CSS3
- **E-commerce Integration:** Experience with WooCommerce and other e-commerce platforms for online stores.
- **Plugin Customization:** Customized and configured various WordPress plugins to enhance website functionality
- **Cross-Browser Compatibility:** Ensuring websites work seamlessly across different browsers.

Education

- **Sylhet Govt. College**
2016 - 2018

This college teaching helps to upgrade my knowledge of web design. Now, I understand the principles of design, typography, composition, color theory, and many more.

Work Experience

- **Web Designer | Fiverr.com**
2020 - Present

Completed nearly 600 projects, specializing in custom WordPress themes, plugin customization, responsive design, SEO optimization, e-commerce solutions, performance and security management, and ongoing website maintenance and support.
